Local Press and Media,

Thank you in advance for your coverage of the 2010 Bay State Summer Games. Included in this PDF is a variety of information on the Summer Games, including a listing of all the athletes from the commonwealth who will be competing in the finals with their hometowns, high schools and sport indicated. Please let me know if you need contact information for a specific athlete on the list.

Please note that the athlete list was created as of July 1, and therefore is not a complete listing due to rosters and registrations still coming to our office. We will post all updates to rosters, athlete lists and results on our website at www.baystategames.org.

From Thursday, July 8 to Sunday, July 12, we will relocate our offices to UMass Boston. The press center will be located in the Student Learning Center on the second floor of the Clark Athletic Center. During that time please contact me on my cell phone at 774-218-5530

In the meantime, if you have any other questions or inquiries regarding the Bay State Games, please contact me at 781-932-6555 or by email at peter@baystategames.org.

We hope to see you at the Games!

Best wishes,

History of the Massachusetts Amateur Sports Foundation/ Bay State Games

The Massachusetts Amateur Sports Foundation (MASF) is a 501(c) (3) non-profit organization that was established in 1982 to host the first sanctioned state games of Massachusetts. Today, the MASF operates with the mission of promoting personal development, education, physical fitness, teamwork, sportsmanship to athletes of all ages and abilities throughout the commonwealth. The MASF provides Olympic-style amateur athletic competitions through the Bay State Summer and Winter Games, a scholarship program, health and fitness programs, as well as other educational and sportsmanship programs for residents of Massachusetts.

The MASF is recognized nationwide as a leader in producing high quality Olympic-style competitions. The foundation is a class C member of the United States Olympic Committee (USOC) as well as member of the National Congress of State Games, which includes members from over 40 states. Any athlete who wins a gold, silver or bronze medal at the 2009 or 2010 Bay State Summer Games is eligible for the 2011 State Games of America held in San Diego, California. Figure skaters who received medals in the 2009 or 2010 Winter Games were also eligible to show their talents at the State Games of America.

Over 8,000 athletes from more than 300 Massachusetts cities and towns participate in the Bay State Games annually, making the Games the largest multi-sport amateur athletic event in New England. Over 160 athletic facilities throughout the state are used for qualifiers and finals competitions. Also, more than 1,500 dedicated volunteers, coaches and officials donate their time and expertise each year. In 2010, the Bay State Winter Games celebrated its 25th anniversary, and the Summer Games will hold its 29th year.

For many athletes, the Games are a highlight of their athletic careers. For some, the Games are a step on their way to athletic greatness. The list of exceptional Bay State Games alumni includes; 1995 NBA all-star and former Boston Celtic Dana Barros, the late Reggie Lewis of the Boston Celtics, 1995 NCAA Women's Basketball Player of the year and Olympic gold medallist Rebecca Lobo, women's basketball Olympian Kara Wolters, Olympic figure skaters Paul Wylie, Nancy Kerrigan and Surya Bonaly, US World Cup soccer player Mike Burns, 1996 Olympic gold medal winner in judo Jimmy Pedro, 1996 Olympic medallist in the 400 meter hurdles Calvin Davis, 1995 NHL Stanley Cup Champion and NHL All-Star Bill Guerin, 1999 member of the National League Champion Atlanta Braves Kevin McGlinchy and 2000 Shooting Olympian Melissa Mulloy-Mecozzi .
